DECLAN WATERS IS RUNNING FOR THE FOURTH TIME FOR DAIL EIREANN.

Bring back Democracy, Accountability & Transparency.

This time is probably the most important time that we will ever have in this country to try and rectify all the wrong that has been done. This election is about the economy and our future as a nation - Families, Farmers, Fishermen, Children, Pensioners, Students, Unemployed, Small Business, Teachers, Doctors, Nurses, Gardaí, etc. etc.

The people who built up this country are now in danger of losing their pensions and benefits and their future is totally unknown. We will all get into a spiralling debt situation including the country if we do not stop it.

**WE ALL ARE AWARE OF FORTHCOMING AUSTERITY BUDGETS
AND COST CUTTING TO THE VULNERABLE
AND THE TAX PAYER.
THERE ARE MORE TAXES ON THE WAY !**
